

## LAC Federal awarded GSA 8(a) STARS II government-wide acquisition contract

---

**Rockville, Md. – September 7, 2017** – LAC Federal, a leading provider of library, information, and knowledge management services for the U.S. government, has been awarded an 8(a) STARS II Government-wide Acquisition Contract (GWAC) through SBA certified Mentor-Protégé joint venture Select Federal Services, with protégé MCH Corporation.

The 8(a) STARS II contract vehicle, allows government agencies to access customized IT services from its 8(a) service providers through 2024. The contract has a five-year base with one five-year option, and a \$10 billion program ceiling. The contract also provides the ability for directed task orders up to \$4 million.

Select Federal Services brings government agencies a wide range of IT services including cyber security support; digital asset management system support; computer application development; systems analysis and software design; web design and maintenance services; digital archiving system support services; and integrated library systems management. LAC Federal and MCH Corp are also participants in the 8(a) Business Development Mentor-Protégé Program. As a mentor, LAC Federal brings government agencies the experience and pricing expected from a large organization and MCH Corp, as a protégé, delivers the personalized attention characterized by small businesses.

“From computer programming to knowledge management, we can provide agencies with services across all four functional areas of the 8(a) STARS II program,” said Tom Miller, vice president for LAC Federal. “LAC’s heritage in library science and KM paired with MCH Corp.’s pedigree as a provider of science and technology integration operations makes Select Federal Services a winning combination for federal, state and local government.”

LAC Federal’s clients include the Foreign Service Institute’s Stephen Low Information Center, The IMF Joint Bank-Fund Library, the Library of Congress, National Agricultural Library, National Library of Education, NOAA Central Library and Regional Libraries, and USAID Library and Knowledge Services Center. LAC Federal’s services range from supporting specific functions at these entities to managing and staffing the whole institution.
